Enhancement Request Form

(GradeBook/DataMap/ParentAccess/Virtual Classroom only)

- **Which product(s) is this enhancement for?**
  ☐ DataMap ☐ GradeBook ☐ VirtualClassroom ☐ ParentAccess
- **Provide details describing the new feature or functionality you would like to see added to the product below**

Since a more detailed request requires less guesswork and is more likely to be given consideration, please include as many details as possible. Some things to consider:

Brief (2-3 sentence) overview of request:

Which Staff roles/functions will use this enhancement?

Specific page(s) associated with this request - where will this enhancement be present?
(e.g. Report Card Entry, Multiple Measures)

How often will this be used? (e.g. for a daily task, at end of term only)

What are users doing now to meet this need *(if this is possible)* and what specific steps are involved?

How will this improve the user experience with the product?
